“Work for Units?”

SUMMER 2017 Internships: Student Interns & Research Assistants
DAI 576: Practical Experience: Internships as Design Archival Project Research Assistants

Project Description
The designated Research Assistant will be working Prof. Ricardo Gomes to pursue the documentation, organization and development of the archive; collaborative design research projects; funding proposals; and promotional development strategies. He/she will organize and develop Design Archive Collection of Dr. Nathan H. Shapira, FA 151C, in conjunction with the development of the proposed DAI Graduate Design Study Center for Social & Community Design.

Qualifications
The role and responsibilities of the Research Assistant Internship will require the student to be capable of working independently; reliable, engaging and have organizational skills. Basic foundation competency in CS graphic software applications is a Plus+ in addition to organizational, promotion/marketing and design research capabilities.

Summer 2017
1) Digital Archival Development (Phase 2: Slides; Videos; Books; Periodicals; Files)
2) Timeline Development Updates
3) Blog/Website Updates
4) Promotional Graphics and Information Design
