The Minor in Design has 4 core requirements (Des 200*, 356, 370 and 300) that are required prerequisites for later classes in Design. Each degree then has Program-Specific Pathways for Design Minors

The Visual Communication Design Pathway includes DES 322, DES 325 and DES 327, for a total of 19 units. We recommend students take the prerequisite classes (200*, 356, 370 and 322) first, and then take 300, 325 and 327 when they've met the prerequisites.

Recommended classes:

- _____ ☐ DES 222 Introduction to 2D Design
- _____ ☐ DES 228 Introduction to Web Design

Required classes to take first (they are prerequisites for the later classes):

- _____ ☐ DES 200* Visual Design Literacy (This class is prerequisite for 325, 327, 300)
- _____ ☐ DES 356 A History of Design and Technology (This class is prerequisite for 325, 327, 300)
- _____ ☐ DES 370 Introduction to Design (This class is prerequisite for 325, 327, 300)
- _____ ☐ DES 322 Digital Graphic Imaging (This class is prerequisite for 325, 327)

Required pathway specific classes:

- _____ ☐ DES 300 Design Process
- _____ ☐ DES 325 Graphic Design 1
- _____ ☐ DES 327 Interaction Design 1
